

Textile's has been a part of the Omaha business community for over 25 years. Textile's is one of the most seasoned design firms in Omaha, with experience in manufacturing, commercial design, residential design and a long history of commitment to civic service. Sharron Haas has been named Fortune 200 women in business, a prestigious national award, bestowed annually. Sanger Harris Department stores awarded Sharron designer of the year for her textile product design. Sharron has been involved in countless residential and commercial projects over her career.
